**DECLARATION OF COVENANTS AND
SIGN EASEMENT
(Citrus Motors)**

THIS DECLARATION OF COVENANTS AND SIGN EASEMENT (Citrus Motors) (this "Covenant") is dated as of May 5, 2015 ("Effective Date"), and is entered into by and between the CITY OF ONTARIO, a California municipal corporation ("City"), and CITRUS MOTORS ONTARIO, INC. a California corporation ("Owner"). City and Owner enter into this Covenant with reference to the following recited facts (each a "Recital"):

RECITALS

A. Owner owns that certain real property located at 1375 S. Woodruff Way, in the City of Ontario, California ("Property"), as further described in Exhibit "1" attached to this Covenant and incorporated herein by this reference, on which Owner owns and operates the Business (as defined herein).

B. Owner desires, and City agrees, for Owner to install on the Property a new double face "V'd" electronic YESCO LED display ("Sign") and to grant an easement to City for fifteen percent (15%) of each hour that the Sign is in use for any public purpose which may include, but is not limited to, advertising or public service announcements, with the option to increase City's usage to twenty percent (20%) of each hour in the event of an emergency, for the Operating Period, as such term is defined in Section 1.26 ("Easement").

C. Owner anticipates that the Sign will cost approximately Four Hundred Ninety-Two Thousand Eight Hundred and Twenty Dollars (\$492,820). In consideration for the Easement, City agrees to reimburse Owner an amount equal to fifty percent (50%) of the Sign, not to exceed Two Hundred Forty-Six Thousand Four Hundred and Ten Dollars (\$246,410).

D. City and Owner enter into and record this Covenant to provide for Owner's covenant and agreement to continuously operate the Sign and the Business on the Property for a specified minimum time period, which shall run with the land of the Property and bind successive owners and tenants of the Property, all as set forth in this Covenant, and to create an easement over

the Sign for the benefit and use of City.

To the extent customary for like properties in the County at the time, such insurance shall include coverage for explosion of steam and pressure boilers and similar apparatus located on the Property,

an “increased cost of construction” endorsement and an endorsement covering demolition and cost of debris removal.

1.39 Third Person. Any Person that is not a Party, an Affiliate of a Party, or an elected official, officer, director, manager, shareholder, member, principal, partner, employee or agent of a Party.

1.40 Transfer. Regarding any property, right or obligation, any of the following, whether by operation of Law or otherwise, whether voluntary or involuntary and whether direct or indirect: (a) any assignment, conveyance, grant, hypothecation, mortgage, pledge, sale, or other transfer, whether direct or indirect, of all or any part of such property, right or obligation, or of any legal, beneficial, or equitable interest or estate in such property, right or obligation or any part of it (including the grant of any easement, lien, or other encumbrance); (b) any conversion, exchange, issuance, modification, reallocation, sale, or other transfer of any Equity Interest(s) in the owner of such property, right or obligation by the holders of such Equity Interest(s); or (c) any transaction that is in substance equivalent to any of the foregoing. A transaction affecting Equity Interests, as referred to in clauses “(b)” or “(c)” of this Section 1.40, shall be deemed a Transfer by Owner, even though Owner is not technically the transferor. A “Transfer” shall not, however, include any of the following (provided that the other Party has received Notice of such occurrence) relating to the Property or any Equity Interest: (i) a mere change in form of ownership with no material change in beneficial ownership and constitutes a tax-free transaction under Federal income tax law and the State real estate transfer tax law; (ii) a conveyance only to member(s) of the immediate family(ies) of the transferor(s) or trusts for their benefit; or (iii) a conveyance only to any Person that, as of the Effective Date, holds an Equity Interest in the entity whose Equity Interest is being transferred.

1.41 Unavoidable Delay. A delay in either Party performing any obligation under this Covenant arising from or on account of any cause whatsoever beyond the Party’s reasonable control, including strikes, labor troubles or other union activities, casualty, war, acts of terrorism,

riots, litigation, governmental action or inaction, regional natural disasters or inability to obtain required materials. Unavoidable Delay shall not include delay caused by a Party's financial condition or insolvency.

1.42 Usury Limit. The highest rate of interest, if any, that State law allows under the circumstances.

2. **USES.** Owner acknowledges and agrees for itself, its successors, and its assigns that, from and after the Effective Date and throughout the entire Operating Period, the Property and the Sign shall be and remain developed, used and reserved solely for use and occupancy by Owner for operation of the Business, and not for any Prohibited Use. The use restriction established in this Section 2 shall run with the Property as a covenant running with the land and binding on all successive owners or occupants of the Property, until the expiration of the Operating Period.

3. **OPERATION OF SIGN.** Owner covenants to and for the benefit of City that Owner shall, at Owner's sole cost and expense, ensure that the Sign is fully operational and obtain final building permit sign-off by City for the Sign within one (1) year following the Effective Date, subject to any UNAVOIDABLE DELAY.

4. **GRANT OF SIGN USE EASEMENT.** Owner hereby grants to City a non-exclusive easement over the Property and the Sign for the purpose of using the Sign to display messages and information regarding public events and other matters of public interest, in accordance with California Civil Code Section 801, subparagraph 6, including an easement over the Property for the existing line-of-site visibility for the Sign and access to such property and equipment belonging to Owner as is necessary or convenient to the exercise of City's rights pursuant to such easement and this Covenant regarding the Sign ("**Easement**"). The Easement is an easement in gross in favor of City and City's successors and assigns and the Easement shall run with the land of the Property and bind successive owners of the Property throughout the Operating Period. The Easement shall be effective at all times during the Operating Period. All City messages and information to be displayed on the Sign shall be prepared by City and shall not be subject to edit or modification by Owner; provided that Owner may make reasonable modifications and edits to the message and information to ensure that the message or information is properly displayed on the Sign so long as such edits or modifications do not change the content or meaning of the message or information. City shall not be entitled to display messages or other information on the Sign that is of a purely political nature.

4.1 City Use. City shall submit all City messages and information in writing to the Owner and the Owner shall cause such messages and information to appear on the Sign within two (2) Business Days following the date of submission. All City messages and information shall appear on the Sign for a period of time as specified by City, and during all hours of operation of the Sign. During the Operating Period, City messages and information shall be allocated up to but shall not use more than fifteen percent (15%) of the operational time of the Sign during each hour of operation of the Sign.

4.2 Emergency Use. Notwithstanding Section 4.1, in the event of an emergency City messages and information may use up to twenty percent (20%) of the operational time of the Sign during each hour of operation of the Sign. In the event of an emergency, City messages and

information shall be submitted to Owner in writing and Owner shall cause such messages and information to appear on the Sign as soon as feasibly possible, but no later than two hours during business hours or by 7:00 a.m. Pacific Standard Time on the following Business Day if the City submits the messages or information after close of business. For purposes of this Section 4.2, an "event of an emergency" means any situation arising from a sudden and reasonably unforeseen technological, natural or human caused disaster beyond the control of the City that threatens public health and safety, as determined by the City in its sole and exclusive discretion.

5. COVENANT PAYMENT. In consideration for Owner granting the Easement to City and Owner's performance of Owner's covenants and other obligations pursuant to this Covenant, City shall pay the Covenant Payment to Owner within thirty (30) calendar days following the date on which the Sign is fully operational and Owner has obtained final building permit sign off by City for the Sign, pursuant to Section 3. City's obligation to make the Covenant Payment is expressly conditioned upon City's prior receipt of a title insurance policy in form and substance reasonably acceptable to City and issued by a title insurer reasonably acceptable to City insuring the Easement in the Property, subject to only non-delinquent property taxes or assessments, with coverage in the amount of the Covenant Payment. If for any reason, the Sign is not fully operational and Owner has not received final building permit signoff by City for the Sign within one (1) year following the Effective Date, then this Covenant shall automatically terminate and City shall have no obligation to pay any or all of the Covenant Payment to Owner, subject in each instance to any Unavoidable Delay.

6. CONTINUOUS OPERATION OF BUSINESS. Owner further covenants to and for the benefit of City, throughout the entirety of the Operating Period, to cause the Business to be continuously operated (no period of inoperation of more than forty-five (45) consecutive days) from and within the Property. Owner's covenants set forth in the immediately preceding sentence shall include, at Owner's sole cost and expense, all costs associated with obtaining and maintaining all franchises, permits, contractual arrangements, licenses, and registrations reasonably necessary for the conduct of the Business, causing the Business to be operated in accordance with reasonable and customary practices of similar businesses and in a commercially reasonable and prudent manner, including the obligation to advertise, market and promote the Business in a manner consistent with other similar businesses (including other business locations of Owner).

7. USE, OPERATION AND MAINTENANCE OF SIGN. In addition to the covenants of Owner in Sections 6 and 10, Owner covenants and agrees that, at all times during the Operating Period: (1) the Sign shall not be materially altered (except in the ordinary course of maintenance) or removed from the Property; (2) the Sign shall be maintained in a first class condition and shall be promptly repaired or replaced, if damaged or destroyed by any cause whatsoever; (3) the Sign shall be continuously operated twenty-four (24) hours of each day of the year for the benefit of Owner and City; and (4) Owner shall not take or permit any action that would obstruct the visibility of the Sign.

8. LIQUIDATED DAMAGES PAYMENT. CITY SHALL PROVIDE WRITTEN NOTICE TO OWNER OF THE EVENT OF A DEFAULT BY OWNER AT ANY TIME DURING THE OPERATING PERIOD. UPON DELIVERY OF SUCH WRITTEN NOTICE, OWNER AND CITY SHALL WORK TOGETHER, IN GOOD FAITH, TO CURE SUCH DEFAULT WITHIN THIRTY (30) CALENDAR DAYS FOLLOWING NOTICE OF SUCH

DEFAULT; PROVIDED, HOWEVER, THAT ANY ACTIONS TO CURE SHALL BE AT OWNER'S SOLE COST AND EXPENSE. WHERE SUCH FAILURE IS NOT CURED WITHIN THIRTY (30) CALENDAR DAYS FOLLOWING NOTICE OF SUCH DEFAULT FROM CITY, CITY AND OWNER SHALL MEET, IN GOOD FAITH, TO DETERMINE A REASONABLE TIME IN WHICH SUCH DEFAULT MAY BE CURED OR OTHER REASONABLE OPTIONS TO THE MUTUAL BENEFIT OF THE PARTIES. IF, AFTER COMPLETING THE FOREGOING, OWNER STILL FAILS TO CURE SUCH DEFAULT, THEN OWNER SHALL PAY TO CITY, AS LIQUIDATED DAMAGES FOR OWNER'S DEFAULT, AN AMOUNT EQUAL TO THE COVENANT PAYMENT. NOTWITHSTANDING THE FOREGOING, CITY MAY PROVIDE WRITTEN NOTICE TO OWNER OF A DEFAULT AT ANY TIME DURING THE OPERATING PERIOD; HOWEVER, IN THE EVENT THAT NOTICE IS PROVIDED WITHIN 60 DAYS OF A CITY COUNCIL ELECTION, OWNER CANNOT BE DEEMED BY CITY TO HAVE FAILED TO CURE SUCH DEFAULT, UNLESS OWNER REFUSES TO CURE SUCH DEFAULT, LESS THAN NINETY (90) DAYS FROM A CITY COUNCIL ELECTION. OWNER ACKNOWLEDGES AND AGREES THAT CITY HAS SPECIFICALLY BARGAINED FOR OWNER'S PERFORMANCE OF THIS COVENANT AND THAT CITY WILL BE SUBSTANTIALLY AND IRREPARABLY DAMAGED BY ANY FAILURE OF OWNER TO PERFORM ITS OBLIGATIONS UNDER THIS COVENANT DURING THE OPERATING PERIOD. FURTHER, THE PARTIES ACKNOWLEDGE AND AGREE THAT THE AMOUNT OF SUCH DAMAGE TO CITY IS EXTREMELY DIFFICULT AND IMPRACTICAL TO DETERMINE. AFTER DILIGENT, BUT UNSUCCESSFUL ATTEMPTS TO DETERMINE THE AMOUNT OF DAMAGES TO CITY ARISING FROM ANY FAILURE OF OWNER TO PERFORM ITS OBLIGATIONS UNDER THIS COVENANT, THE PARTIES AGREE THAT THE PAYMENT BY OWNER TO CITY OF AN AMOUNT EQUAL TO THE COVENANT PAYMENT REPRESENTS A REASONABLE ESTIMATE OF SUCH DAMAGES TO CITY.

9. NO TRANSFER TO TAX EXEMPT ENTITY. Owner covenants to and agrees with City that, throughout the entire Operating Period, neither Owner nor Owner's successors or assigns, shall participate in, cause or allow any Transfer or use of all or any portion of the Property that results in all or any portion of the Property being partially or wholly exempt from the payment of Real Estate Taxes; provided, however, that said covenant shall not apply to either of the following: (i) dedication of a public service easement on, over, or under any portion of the Property to any Government or private utility company consistent with the Approvals for the Sign; or (ii) a Transfer resulting from the exercise by any Government or any other entity with eminent domain powers of its power of eminent domain, including a Transfer under threat of the use of such eminent domain power (as evidenced by adoption of a resolution of necessity pursuant to Code of Civil Procedure Section 1245.210 *et seq.*, by the threatening Government).

10. OPERATION AND MAINTENANCE COVENANT. Owner, for itself and Owner's successors and assigns, covenants to and agrees with City that:

10.1 Maintenance Standard. Owner shall operate and maintain the Sign in a commercially reasonable manner and condition, including maintenance, repair, reconstruction and replacement of any and all asphalt, concrete, landscaping, utility systems, irrigation systems, drainage facilities or systems, grading, subsidence, retaining walls or similar support structures, foundations, signage, ornamentation and all other improvements on or to or as required for the support of the Sign, now existing or made in the future, as necessary to maintain the appearance and character of the Sign, including all of the following, all at Owner's sole cost and expense: (a) maintaining any platform on which the Sign is located in a level, smooth and evenly covered condition with the type of surfacing material originally installed or such substitute as shall in all respects be equal in quality, use and durability; (b) removing all papers, mud, sand, debris, filth and refuse and thoroughly sweeping areas to the extent reasonably necessary to keep areas in a clean and orderly condition; (c) removing or covering graffiti with the type of surface covering originally used on the affected area, (d) placing, keeping in repair and replacing any necessary and appropriate directional signs, markers and lines; (e) installing, operating, keeping in repair and replacing where necessary, such artificial lighting facilities as shall be reasonably required; (f) maintaining, mowing, weeding, trimming and watering all landscaped areas and making such replacements of plants and other landscaping material as necessary to maintain the appearance and character of the landscaping; (g) properly maintaining windows, structural elements and painted exterior surface areas of structures in a clean and presentable manner; and (h) arranging and paying for all fuel, gas, light, power, water, sewage, garbage disposal, telephone and other utility charges, and the expenses of installation, maintenance, use and service in connection with all of the foregoing (collectively, "**Maintenance Standard**"). Notwithstanding the foregoing, to the extent that the Maintenance Standard applies to physical conditions of the Sign, the Maintenance Standard shall not apply during any period after a fire or other casualty loss, as long as Owner is diligently taking reasonable steps to obtain available insurance proceeds and repair, Restore or remove any improvements or conditions that violate the Maintenance Standard. City shall have absolutely no responsibility for any cost or performance associated with any matter that is the responsibility of Owner pursuant to the Maintenance Standard.

10.2 Maintenance Deficiency. If there is an occurrence of an adverse condition of the Sign in contravention of the Maintenance Standard (each such occurrence being a "**Maintenance Deficiency**"), then City may Notify Owner of the Maintenance Deficiency. If a Maintenance Deficiency is not cured within thirty (30) calendar days following Notice to Owner of such Maintenance Deficiency, City shall have the right, but not the obligation, to perform all acts necessary to cure the Maintenance Deficiency or take any other action at law or in equity that may then be available to City to accomplish the abatement of the Maintenance Deficiency. Any amount expended by City for the cure or abatement of a Maintenance Deficiency pursuant to this Section 10.2 (including Legal Costs) shall be reimbursed to City by Owner within thirty (30) calendar days after Notice to Owner of the amount expended. If any amount becoming due to City under this Section 10.2 is not reimbursed to City by Owner within thirty (30) calendar days after Notice to Owner of the amount owed, the amount shall accrue Default Interest from the thirtieth (30th) calendar day after Notice of the amount owed until all of the unpaid principal and accrued Default Interest are paid in full. Nothing in this Section 10.2 is intended to limit or otherwise restrict any

right or authority of City outside of this Easement Agreement to abate a condition that is or may be a Maintenance Deficiency.

11. CONDEMNATION. Any and all compensation or awards regarding any condemnation of the Sign shall be paid to City and Owner based on their respective ownership rights over the usage of the Sign at the time of condemnation.

12. TAXES AND ASSESSMENTS. Owner shall pay, without abatement, deduction or offset, any and all Real Estate Taxes and other charges (including any increase caused by a change in the tax rate or by a change in assessed valuation) of any description levied or assessed by any Government on or against the Property or personal property located on or in the Property. Any and all taxes and assessments and installments of taxes and assessments required to be paid by Owner shall be paid by Owner before each such tax, assessment or installment of tax or assessment becomes delinquent. Owner, at Owner's own cost and expense, shall have the right, at any time, to contest or seek a reduction in the assessed valuation attributable to the Property, or to contest any taxes or assessments attributable to the Property, provided Owner undertakes all proceedings necessary to prevent the sale of the Property for such taxes or assessments (including payment of the full contested amount subject to such contest or possible reduction, if required by applicable law), and promptly upon termination of such proceedings (but in any event prior to the sale of the Property to satisfy the contested tax or assessment) pays in full the taxes or assessments determined to be due and owing, plus all interest, penalties and other costs with respect to such contest. Owner shall Indemnify City regarding any liability, loss or damage resulting from any taxes, assessments or other charges required by this Covenant to be paid by Owner and from all interest, penalties, and other sums imposed thereon and from any sales or other proceedings to enforce collection of any such taxes, assessments, or other charges.

13. INSURANCE.

13.1 Types. Owner shall maintain at the sole cost and expense of Owner, all of the following insurance (or, if unavailable, its then reasonably available equivalent): (a) Liability Insurance; (b) Automobile Liability Insurance; (c) Property Insurance; and (d) Workers Compensation Insurance. All Liability Insurance, Automobile Liability Insurance, Property Insurance and Workers Compensation Insurance policies this Easement Agreement requires shall be issued by carriers that: (a) are listed in the then current "Best's Key Rating Guide—Property/Casualty—United States & Canada" publication (or its equivalent, if such publication ceases to be published) with a minimum financial strength rating of "A-" and a minimum financial size category of "VII" (exception may be made for the State Compensation Insurance Fund, when not specifically rated); and (b) are authorized to do business in the State by the State Department of Insurance. Owner may provide any insurance under a "blanket" or "umbrella" insurance policy, provided that: (i) such policy or a certificate of such policy shall specify the amount(s) of the total insurance allocated to the Property, which amount(s) shall equal or exceed the amount(s) required by this Covenant; and (ii) such policy otherwise complies with the requirements of this Covenant regarding such insurance. All insurance obtained and maintained by Owner in satisfaction of the requirements of this Covenant shall be fully paid for and non-assessable.

13.2 Insured. Liability Insurance and Automobile Liability Insurance policies shall name the City Parties as "additional insured." Property Insurance policies shall name City as a

“loss payee.” All Liability Insurance and Automobile Liability Insurance shall provide for separation of insured for Owner and the City Parties. Insurance policies obtained in satisfaction of or in accordance with the requirements of this Covenant may provide a cross-suits exclusion for suits between named insured Persons, but shall not exclude suits between named insured Persons and additional insured Persons. Any insurance or self-insurance maintained by the City Parties shall be excess of all insurance required to be maintained by Owner under this Covenant and shall not contribute with any insurance required to be maintained by Owner under this Covenant. Owner shall not carry separate or additional insurance concurrent in form or contributing in the event of loss with insurance coverage required by this Covenant, unless the City Parties are made additional insured or loss payee, as applicable, under such insurance coverage, consistent with the provisions of this Covenant applicable to such form of insurance or insurance covering the same type(s) of loss.

13.3 Deductibles and Self-Insured Retentions. Any and all deductibles or self-insured retentions under insurance policies required to be maintained by Owner under this Covenant shall be declared to and approved by City. Owner shall pay all such deductibles or self-insured retentions regarding the City Parties. Each insurance policy issued in satisfaction of the requirements of this Covenant shall provide that, to the extent that Owner fails to pay all or any portion of a self-insured retention under such policy regarding an otherwise insured loss, City may pay the unpaid portion of such self-insured retention, in City’s sole and absolute discretion. All amounts paid by City toward self-insured retentions regarding insurance policies covering the City Parties pursuant to this Covenant shall be reimbursable to City by Owner in the same manner that insurance costs are reimbursable to City from Owner pursuant to Section 13.6.

13.4 Deliveries to City. Evidence of Owner’s maintenance of all insurance policies required by this Covenant shall be delivered to City prior to the Effective Date. No later than three (3) days before any insurance required by this Covenant expires, is cancelled or its liability limits are reduced or exhausted, Owner shall deliver to City evidence of Owner’s maintenance of all insurance required by this Covenant. Each insurance policy required by this Covenant shall be endorsed to state that coverage shall not be cancelled, suspended, voided, reduced in coverage or in limits, except after thirty (30) calendar days’ advance written notice of such action has been given to City by certified mail, return receipt requested; provided, however, that only ten (10) days’ advance written notice shall be required for any such action arising from non-payment of the premium for the insurance. Phrases such as “endeavor to” and “but failure to mail such notice shall impose no obligation or liability of any kind upon the company” shall not be included in the cancellation wording of any certificates or policies of insurance applicable to the City Parties pursuant to this Covenant.

13.5 Waiver of Certain Claims. Owner shall cause each insurance carrier providing any Liability Insurance, Property Insurance, Worker’s Compensation Insurance or Automobile Liability Insurance coverage under this Covenant to endorse their applicable policy(ies) with a Waiver of Subrogation with respect to the City Parties, if not originally in the policy. To the extent that Owner obtains an insurance policy covering both the Owner and the City Parties and containing a Waiver of Subrogation, the Parties release each other from any Claims for damage to any Person or property to the extent such Claims are paid pursuant to such insurance policy.

13.6 City Option to Obtain Coverage. During the continuance of an Event of Default arising from the failure of Owner to carry any insurance required by this Covenant, City may, in City's sole and absolute discretion, purchase any such required insurance coverage. City shall be entitled to immediate payment from Owner of any premiums and associated reasonable costs paid by City to obtain such insurance coverage. Any amount becoming due and payable to City under this Section 13.6 that is not paid within fifteen (15) calendar days after written demand from City for payment of such amount, with an explanation of the amounts demanded, will accrue Default Interest from the date of the demand, until paid in full. Any election by City to purchase or not to purchase insurance coverage otherwise required by the terms of this Covenant to be carried by Owner shall not relieve the Owner of Owner's Default or Owner's obligation to obtain and maintain any insurance coverage required by this Covenant.

14. PREVAILING WAGES.

14.1 OWNER AGREES WITH CITY THAT OWNER SHALL ASSUME ANY AND ALL RESPONSIBILITY AND BE SOLELY RESPONSIBLE FOR DETERMINING WHETHER OR NOT LABORERS EMPLOYED RELATIVE TO THE INSTALLATION OF THE SIGN MUST BE PAID THE PREVAILING PER DIEM WAGE RATE FOR THEIR LABOR CLASSIFICATION, AS DETERMINED BY THE STATE, PURSUANT TO LABOR CODE SECTION 1720 *ET SEQ.*

OWNER, ON BEHALF OF ITSELF, ITS SUCCESSORS, AND ASSIGNS, WAIVES AND RELEASES CITY FROM ANY RIGHT OF ACTION THAT MAY BE AVAILABLE TO ANY OF THEM PURSUANT TO LABOR CODE SECTION 1781. If City fails to pay the Covenant Payment, as and when due pursuant to Section 5, if such failure is not cured within thirty (30) calendar days after Notice from Owner to City that such obligation was not performed, Owner's sole and exclusive remedies for such failure shall be: (a) institute a legal action to seek specific performance of City's obligation to pay the Covenant Payment to Owner under this Covenant; or (b) terminate this Covenant. Under no circumstances shall City be liable to Owner for any lost profits, speculative or consequential damages arising from any failure of City to perform City's obligations under this Covenant or any other Claim relating to this Covenant.
